Editor's Letter

Finally, it feels like summer, and with this in-coming hot weather, I thought you might like some even hotter crumpets. It's best to grab an ice-cold beer before you venture further through the subsequent pages, with the likes of Natalia Forrest, Tommi-Jo, Jenny Laird, Kenna James, Georgia and Kayla, all making the top cut for this latest Best of Men Only, you may need to turn the hose on (I didn't mean that one, cheeky! That's it's a given with this eye-candy). So without further prattling from me, I'll let you enjoy. Ciao

SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 20 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

Your magazine continues to blow all the others away because you show the fittest chicks I've ever seen – proper hotties. I work for a building company, and when the lads and me are on a job, we take it in turns to buy the lunchtime sarnies, and girlie mags to leave in the bog. Yours and a few other Paul Raymond mags are the usual publications of choice (the quality's better than the others, isn't it?) – and as you can imagine, they get a bit knackered by the end of the month.

> "As we watched she put down her brush and unclipped her bra."

Anyway, the reason I'm writing is to tell you about an unbelievable experience that happened last week. I'm still scratching my head! We were doing a loft conversion on a terraced house in town and Asif, my foreman, was fitting the new window frame in the roof when he suddenly yelled for us to join him. Directly over the road was a gorgeous woman of about 40 in her bedroom, sitting at a dressing table, brushing her long black hair. She looked Mediterranean, with lovely olive-coloured skin and she was wearing only a bra and knickers, but the old-fashioned sturdy white Playtex style, and judging by the size of her tits she needed the support!

Me, Asif and Danny gawped at her lovely deep cleavage and, as she was only about ten metres away, we could even see the reflection of her face in the mirror. Okay, she was no spring chicken, but she had obviously looked after herself and was starting to give me the horn.

As we watched, she put down the brush and slowly unclipped her bra. Asif let out a whistle under his breath as her massive knockers swung free. They were fucking awesome! Huge yet firm and, unless I've lost my eye for falsies, they had never seen a knife.

"Look at the size of them mothers!" blurted out Danny, but we certainly didn't need telling as she twisted around and her melons swung beautifully, to point directly at us. The nipples were enormous, too, and seemed to jut out like wine bottle corks.

"She must know we're watching," I muttered as she slowly cupped a mound in each hand and caressed the soft flesh. My dick was threatening to split my overalls as she continued to stroke her tits in a sexy circular motion, pinching the nipples between thumb and forefinger.

"Come on baby, show us some more," Asif moaned, involuntarily rubbing his crotch. As if in response, the object of our desire got up from the chair and moved to the bed. She lay back on the duvet and slid her hand down her body until it rested on her satin-covered cunt. She squeezed her hand hard between her clenched thighs and scooped her breasts together with her other arm.

"Fuck this!" Danny said and shoved his hand inside his overalls in order to wank his prick. I followed suit, and realised Asif was way ahead of us, his breathing heavy. By now she had wriggled out of her knickers, which lay discarded around her ankles. You could see her hand slide over her belly, then close over her pussy, slowly disappearing as her fingers began delving into the unseen folds of her cunt. Fuck! We were all desperate to see more – and she must have been psychic, because at that moment she turned around onto the bed, climbed on all fours and thrust her big, naked arse directly towards us. Even from this distance, and through a sheet of double-glazing, we could clearly see the pink interior of her gash, and as she yanked the lips apart we got a great view of her puckered little arsehole as well.

> "You could see her hand slid over her belly, and then close over her pussy..."

Asif was the first to spot the minx peeking round her mammoth tits at us, and he decided to give her something to look at by

Dear Michelle,

PRETTY... SWEET!

What a fantastic issue to round the year off with – I certainly wouldn't mind finding Danika under my Christmas tree, that's for sure. What an exceptional example of womanhood she is!

I don't suppose you've still got that candy cane that she's rubbing against her pussy in the photos, have you? If so, could you pop it in the post? It was also great to see Gaynor Bell featured in the vintage spread with those lovely, oily bum cheeks! Whatever happened to oiling the girls up for a shoot? I think the practice ought to be re-introduced, because there's nothing better than a nice oily bum or pair of boobs!

Anyway, happy new year to everyone at *Men Only*!

Trevor, Barnes.

Michelle says: Thanks Trevor. Yes, you're right about oily bums – we'll have to see what we can do!

Photos: BB Media

We've spent more than our fair share of time mulling this one over, and we've come to the conclusion that there aren't many angles from which Jenny Laird doesn't look the absolute bee's knees! Possibly straight down from above onto the top of her head… although even then we suspect she'd look a damn sight better than most!

"Ah, that's very nice of you to say so!" she replied when we put this to her during the shoot, "but believe me, there are a few angles that make me look like an absolute horror. I'm just very careful never to show them to the camera – or anyone else, if I can help it!"

Hmm, that sounds like undue modesty to us, Jenny – we'd happily spend the entire day looking at your gorgeous body from every single angle there is!

...Continued from page 4

whipping his cock out and jacking off in her general direction. Danny and I didn't think twice and soon all three of us were standing there with our rigid dicks in our hands, wanking off over the fantastic view we had in front of us.

She reached to her bedside table and pulled out a flesh-coloured, double-ended, rubber dildo from the drawer. Opening her legs wider, she rubbed the tip around the edge of her glistening snatch before pushing the end and feeding it in until over half was buried inside her. My hand was pistoning my rock hard prick now and when I realised she was attempting to shove the other end of the toy into her arse, I nearly spat my wad there and then.

After a bit of squirming, she managed it, and the fake dick hung obscenely in a 'U' shape from her orifices. She twisted around the bed some more until she was actually staring straight at us, and started to maul those gigantic breasts again while licking her lipstick-coated lips like some dirty slut in a porno movie. Unreal.

Danny came first, jetting thick dollops of youthful spunk high into the air and actually out through the gap where the window would've been, and down into the street. The dirty bitch began to buck wildly as she realised one of us had shot their load and dragged the dildo from her arse, pushing its length as far up her pussy as possible. It seemed to curl and writhe like a snake as she ground her ample hips onto it, rhythmically humping on the bed for our benefit.

As she heaved the fanny-embedded-end free and stuffed it into her mouth, jizz spurted from my knob – almost taking me by surprise – and splashed onto the loft floor. Judging by the frenzied activity on the bed, the woman was also coming – making Asif spray his splodge, too – before she finally collapsed back in a heap on the bed.

It took us longer than expected to finish the loft – surprise, surprise – and our wankfest happened a few more times. We never met the object of our desires and apart from her underwear and hairstyle, her performance never changed, but we certainly weren't complaining!

Rich, Dundee.

"Opening her legs wider, she rubbed the tip around the edge of her glistening snatch."

"Judging by the frenzied activity on the bed, the woman was also coming."

Dear Michelle,

For me, you saved the best two girls of the latest issue for the end. Firstly the incomparably lovely Wanda with her natural curvy figure. The photographer really did her justice with the full page picture of her on pages 80-81, which shows off her assets magnificently! Imagine coming home from work to find Wanda sprawled out like that for you on the sofa – I guess that's what her boyfriend gets treated to, the jammy git!

The other highlight for me was Lola, who looked truly beautiful in the blue and white lingerie in the opening shot, but even better with her delectable pink pussy on full display in the final shot. Talk about the perfect way to round off an issue!

Alan, Poole.

WANDA OF THE MODERN WORLD!

THOR BLIMEY!

Dear Michelle,

I'm an unapologetic boob man, so I was delighted to come across (quite literally, in fact) the pictures of Cherry in 79.13. I note from the editorial that she's from Yorkshire, and I'm not surprised. I've been out with quite a few girls from that county over the years, and they definitely seem to have bigger boobs than girls from elsewhere. Don't ask me why – perhaps it's something to do with the Vikings or something – but Cherry's a classic example of the kind of woman I go for, with amazing tits and a cute, cheeky face. I hope we'll be seeing more of her in the magazine before long!

Keith, Notts.

Michelle says: The Vikings, eh? Perhaps you're right, Keith – but do Scandinavian girls have bigger boobs as well? Not that I've noticed, and I've seen a good few pairs!

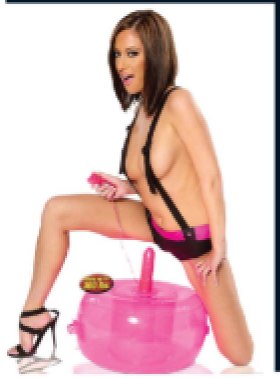
FOR HER: FETISH FANTASY SERIES INFLATABLE HOT SEAT

Lovehoney.co.uk
Now £34.99

Granted, this may not be the most attractive bedroom addition – especially before it's inflated – but believe us that what it lacks in aesthetics it makes up for in fun! The durable latex material has a nice velvety texture, making for an enjoyable ride, but the best bit is the solid 6" rubber dildo that protrudes vertically from the centre. A small, multi-speed vibrating bullet placed strategically in the base of the shaft provides even more pleasure – though be warned, it's pretty noisy – and the tough plastic handles on each side mean you can bounce away till your heart (and pussy) is content! Oh, and if your man is threatened by the ever-rigid, veiny phallus, bear in mind that the Hot Seat is the perfect role-play tool, too – think threesome without getting another guy involved!



FOR HIM: X-PLAY TEASER FLOGGER

Lovingitlarge.co.uk
Now £21.80

Maybe not the usual toy you'll see recommended on the 'him' side of this page but we're reviewing this for men, in order to please your woman – as well as getting some pleasure back in return, of course! Obviously predominantly used for whipping, the X-Play Teaser Flogger from Allure Lingerie also feels amazing as a teasing tool, as the name suggests. The soft, suede material feels silky against the skin – a feeling that most women (and a lot of you guys, too) will go wild for! Available in red, black and purple, the handle feels comfortable to grip and the added wrist strap

VICKY

"Love that burns" – didn't Fleetwood Mac sing something about that donkey's years ago? And while we've heard nasty rumours that the song might have been about getting a dose of the clap we'd like to think that it was, in fact, a tribute – albeit one penned 35 years or so too early – to this Cambridgeshire born beauty!

"I have heard of the song," she confesses, "but I wish you hadn't told me about the clap rumours – that's pretty well ruined it for me now!"

Oh – sorry about that! Well, in any event, we'd like to think the only clap you'll be getting is the great big round of applause from all your fans when they see these pictures in the mag. Assuming their hands aren't already otherwise engaged, that is…

GEORGIA

Karen

"Georgia on my mind!" sang somebody or other ages ago *(Gladys Knight, you ignoramus! – The Ed.)*, but we suspect they were singing about the once famously racist state rather than this lovely young thing. Given the choice, though, I think I'd rather spend my time thinking about this one – isn't she a sweetie? But what's the deal with the horse, the chaps and the whole cowgirl get-up?

'Well, I'm from Montana, so this is how I like to spend my weekends!" the girl herself informs us.

Talk about an idyllic way to spend the odd day – galloping through the fresh air with a gorgeous babe beside you. Then, once you've found a handy fence with a hay bale next to it you tie the horses up and she peels off her clothes and… well, you don't need us to tell you exactly what happens next, do you?!

> "I like anything that will push boundaries and shock people!"

SAMANTHA BENTLEY

Curvy Brit Samantha Bentley's been making quite a name for herself in the porn industry these last couple of years, thanks in no small part to her seemingly voracious sexual appetite and the unmistakable energy she puts into her scenes. She's stolen the show in a number of Harmony's most recent releases, and has now also starting wowing fans in America with her cock-hungry onscreen antics which have just bagged her a prestigious AVN award at the industry's 'Oscars'. And while we're on the subject of onscreen antics, porno fans may well have recognized her when she cropped up in season four of what's fast become the TV event of the decade, HBO's massive Game of Thrones (season five of which has recently started airing on Sky Atlantic – and Sam's back in it!). So we thought it was high time we hooked up with her to find out what it's like being on the inside of one of the biggest shows ever, and in some of the naughtiest bongo flicks as well!

Hi Sam, so tell us, how does a UK adult starlet end up in quite possibly the biggest TV show in history?
Well, as any avid watcher of the series will know, both sex and nudity play a large part in the show, so I think it is only natural for the casting directors to hand out the smaller nude roles to those comfortable being naked, it makes for an easier scene if the cast is comfortable. My original audition was for season 3, the part of a contortionist. I didn't get it however, but they kept me on their books and called me back for the bath house scene in season 4… and there you have it!

Who have you filmed with so far, and where do you shoot?
In Season 4 I filmed with Davos and Salladhor [Stannis Baratheon's right hand man and his pirate buddy]… I cannot say who I am with this season as I cannot give away any plot secrets! All of my scenes have been shot in Northern Ireland, but the show is also filmed elsewhere around the globe…

Do the sets look as good in real life as they do on the telly?
Yes, it's incredible to see the detail up close. A privilege. It's like no set I've ever been on, it was definitely an overwhelming experience.

Were you a fan of the books or the TV programme before you first got a chance to appear in it?
I had read the first book and swore I would read them all before watching the show, but after my part in season 4 I gave in and watched it all. It's addictive.

Even the more mainstream actresses nearly all get their boobs out in the programme. Any particular favourites caught your eye?
Emilia Clarke ['Mother of Dragons' Daenerys Targaryen] is my absolute favourite. Deanerys is such a strong female character. I love her.

Any ideas if/when there's going to be a porno parody of Game of Thrones? Presumably you'd be a shoe-in!
There have already been several, Axel Braun/ Wicked Pictures did one, as did Brazzers. Nope, I was not in either of them. Being in the show itself means I probably wouldn't want to do a porn parody of it…

Fair enough! Can you give us any clues about what's going to happen this series? We've been told there are plenty more surprises in the pipeline…
My lips must remains sealed I'm afraid!

So which do you prefer – starring in adult films or appearing in *GoT*? And why?
Game Of Thrones is my career highlight by far, but it's an unfair comparison – it's completely different. Would it win over porn overtime??? Probably not, there are days when I shoot porn and I think, 'THIS is the fucking dream'…

If you could shoot an intimate scene with any of the cast members, who would it be?

And please don't say Arya...
I think Cercei Lannister would dominate me just the right way, her and Jamie in a BG… so twisted *(Ahem, yes, they are brother and sister! Not that that stops them in the programme – Ed.)* but oh so good!

Have you got any theories how it will all end? Whose'll be the final bum to sit on the Iron Throne?
I have absolutely no clue, the books are still being written, so I think at the moment it's anyone's guess, they kill off so many huge characters, no one is safe…

So moving on from your appearance in *GoT*, what first attracted you to working in the adult industry in the first place?
It was an accidental romance, I was modelling and more and more clothes came off, then I did girl/girl for the longest time and never really realised I was doing porn until the *Brooklyn Lee: Nymphomaniac* scene picked up best girl/girl at AVN...

Are there any type of scenes you prefer filming? Why?
I like anything that will push boundaries and shock people! What's the point in doing something that everyone else is doing. I always said that porn is for love, not money. I do this for the films and for the movies. If I wanted to fuck for money I'd be an escort and I sure as shit would make more than this!

A little bird tells us you've recently bagged another award at the prestigious AVN awards. Can you tell us about that?
My first ever scene with Rocco was for *Perfect Slaves 2* for Evil Angel. It is, to this date, the best scene I've ever done. It picked up best foreign sex scene and honestly, if it hadn't, there would have been an abundance of tears. Blood, sweat and tears went into that movie… I'm not kidding. I earned that AVN!

So was working with Rocco all you'd hoped it would be?
Yes and more. Rocco is a legend! I had been a Rocco Siffredi fan for years so I was a bit of a fan girl when I eventually got to work for him. I had heard that Rocco is notorious for sending girls home from set if they don't look like their pictures or if he doesn't like them, so I was nervous as fuck. But I guess I impressed because he had me back numerous times and recommended me for the scene with him in John Stagliano's *Voracious*, which is the most hardcore scene I've ever shot.

Is Rocco the kind of guy you'd go for in your everyday life? What's the secret of a successful chat-up?
I like guys that are charming and funny and cool, I like an alpha male but someone that is confident enough in themselves to let me do my thing and not get bent out of shape. My guy is super chill and supportive of everything I do. That's important to me. Looks wise, I love tattooed boys and I love dark features, personality has to be intelligent, into music, funny and know how to handle me in bed. I'm a handful…

Ha – we don't doubt it! So how do you like to relax when you're away from the industry?
I spend time with my animals and I do a lot of yoga. Working in any line of entertainment is stressful – yoga is my time away from the world.

And what are your plans for the future? What can we expect next from Samantha Bentley?
I have a few things brewing, my initial plan is to maybe direct. That would be something I really want to do, although everything is on hold right now as I am in the process of buying my first house and it is eating all my time, money and energy! But everyone can keep up to date with my goings on at:

KENNA

Photos: Twistys

After Tiffany, Kenna here represents another James, so we wonder if they're related at all? A (very close) physical inspection doesn't throw up too many obvious similarities, does it?

"It probably wouldn't!" Kenna giggles. "Kenna James is only my stage name – I named myself after a guy who plays poker for a living!"

Oh – that's an interesting choice!

"Well, I like a good game of poker myself, you see – and I'm not just talking about strip poker, either, before you ask!"

Fair enough. And, ahem, when it comes to great looks, you've certainly been dealt a Full House!

LAWN UNTO HERSELF

Unlike most guys, I didn't lose my virginity to a girl my own age. I lost it last summer to an incredibly sexy older woman. In fact Mrs Stevens is a neighbour and, athough she's only in her mid-30s and is therefore much younger than my mum, who is one of her best friends.

Ever since she moved here a year and a half ago my mates and I have got used to peeping into her back garden on sunny days hoping to catch a glimpse of her in her bikini. It had even been rumoured around the neighbourhood that she sometimes sunbathed topless. Mrs Stevens, or Patty, as she insisted I call her, is 34 and divorced. I have had a secret crush on her for ages, so when she asked if I would cut her grass one weekend, I jumped at the opportunity.

> "I nervously squeezed her large breast, feeling the hard nipple on my palm."

It was a Saturday morning and the sun was out. Dressed only in a pair of shorts and my trainers I went to her place, took the lawnmower from the shed and started cutting the grass. I work out a fair bit at the gym and I thought I saw the upstairs curtain twitch a couple of times, so I hoped she was watching me.

Anyway, after I had mowed the lawn I went to her door and rang the bell. She opened the door wearing a miniscule bath robe. My cock began to swell when I saw her cleavage. She could hardly miss the fact that my eyes were focused on her large breasts, but did nothing to hide them.

She asked me to come in for a cold drink while she found her handbag and I cheerfully followed her inside. She poured a beer for me and (I think) a small vodka and coke for herself and put them on the coffee table. Rummaging around in her handbag she pulled out a tenner and reached to stuff it in my pocket. Her hand brushed against my cock as she did so and lingered there, causing my shaft to swell rapidly. "Take your time and enjoy your beer," she said, sitting down and patting the couch beside her, a seductive look on her face.

I sat beside her, trying to avoid gazing at the widening opening in her robe. Patty was staring openly at the growing bulge in my shorts. I shifted nervously. I was embarrassed. I had the world's biggest hard-on and she knew it.

She complimented me on my body and asked if I had a girlfriend. I told her I did but that it wasn't serious and Julie was nowhere as sexy as she was. My face must have turned two shades of red, but Patty just smiled. She leaned toward me, and her robe fell open to the point where her nipples were visible. Then she took one of my hands and placed it on her right tit.

I nervously squeezed her large breast, feeling the hard nipple on my palm. She moaned as she put one hand on mine and the other moved to the bulge in my shorts and squeezed my cock. I thought I was going to come, I really did. She unbuttoned my shorts and freed my raging hardness, stroking my cock while I continued to play with her large soft tits. Loosening the belt on her bath robe, she let it fall open.

Bending down, Patty licked the top of my cock while still stroking the shaft. I leaned my head back as she took my knob into her mouth and sucked gently, still stroking my swollen tool. I placed my hand on her head and played with her hair as I enjoyed her skilled mouth and tongue.

She made little noises as she continued to stroke my shaft and her tongue swirled around the sensitive edge of my helmet. I knew that I wouldn't last long. Patty began moving her head up and down gradually as she took more of my cock into her mouth. She sucked harder, driving me closer to coming. All this time her hands were busy caressing my balls, fondling and squeezing them gently.

"I'm going to come!" I gasped, and Patty quickly pulled her mouth away, effectively stopping me from spunking.

She smirked at me and lay back on the couch, spreading her legs and placing one foot on the back. Then she spread her pussy lips wide apart with her glossy red varnished nails.

"Can you see how wet my pussy is?" she asked. "That's what you did to me. It's all ready for you." Fuck's sake! Then, taking my hand, she guided it to her wet pussy.

She groaned as my fingers massaged her clit and I learned quickly what made her make the most noise. I got on my knees between her legs and leaned down to lick her wet pussy. I flicked her clit with the tip of my tongue and she writhed madly and moaned. I loved pleasing her like this. I wanted to see if I could make her climax.

> "Her tongue swirled round the sensitive edge of my helmet."

I worked intently on her pussy and was rewarded with her moans of pleasure and her clenching pussy encouraging me to lick harder and faster. She was squeezing her large breasts and licking her nipples while her moans became louder, and then she instructed me to fuck her with my fingers.

I slid two fingers inside her hot pussy and began sliding them in and out, while continuing to lick and suck her clit. As her hole went into spasm she squealed, and I licked up all her juices as they trickled from her swollen pussy lips.

My cock was throbbing almost painfully and I needed to feel it inside her. I moved between her legs and she took my cock in her hand and guided it toward her entrance. I pressed forward, sliding it into her with one hard stroke, and began fucking her wildly. She wrapped her legs around me and her hips bucked against my pelvis. I continued to pump into her while her orgasms came.

"Come inside me!" she screamed, pulling her knees up against her breasts. I pumped deeper and harder into her tight pussy, driving myself over the edge as I groaned and shot my load. Her hole kept clenching around my gradually softening cock as she milked my balls dry.

> "She took my cock in her hand and guided it toward her entrance. I pressed forward, sliding it into her..."

Naturally she's got one of the best mown lawns in the neighbourhood now, and over the winter she's found plenty of other odd jobs for me to do for her as well!

Will, Hertford.

HOT LUNCH

There's not usually much to see out of our window at work, unless you like dilapidated warehouses. However, over the last couple of weeks, there has been plenty to look at in the form of a team of workmen resurfacing the flat roof. "Which one would you fuck?" Lottie asked.

"Lottie!" I scalded, although I'd already decided that if I was going to limit myself to just one of the workmen, it'd be the one with the cheeky smile who always sat on the wall opposite our office when he was taking a tea break.

"Being naked at work with a hunky workman had made me extremely horny..."

"It's only a bit of fun," Lottie replied.

"The window's open," I hissed.

"They'll never hear with that blowtorch thing going," which was true enough. "Come-on, Chloe. Which one would you have?" I didn't want to play Charlotte's game. "I know which one you should go for, the one who always checks you out when he's having his tea." I started to protest, although I knew she was right. "I'd do his mate," Charlotte said, with a dreamy expression on her face. "Even though yours looks like he's got the biggest lunchbox, if you know what I mean."

"Lottie!" I protested.

"I bet his lunchbox would be more interesting than yours," she said, turning her nose up at my salad. "How's the diet going?"

"Pretty good, actually." I was missing my wine but was glad for the effect it was having. I'd dropped two dress sizes, although I was only admitting to one.

"So you won't be joining us at Costa?"

"No, I'll just stay here…"

"Well, at least you've got something nice to look at for a change," Lottie said, pointing out of our window. The guy with the cheeky smile was grinning back at us. Lottie beckoned him to the window. "I'll leave you two to it," she said, beating a hasty retreat.

"Those hard, urgent strokes were exactly what I needed."

"Hey," the guy said, leaning in through the open window. It felt like two worlds colliding. I was wearing my regulation white blouse and a delicate perfume, clutching my herbal cuppa while the cheeky chap leaning in had a bitumen-stained high-visibility vest over a dirty t-shirt. When I looked at his filthy, rough hands a shiver ran up my spine as I imagined them touching my skin.

"Hey," I said, trying to play it cool. "All alone?"

"For the moment," I said, in very suggestive tone, which surprised both of us.

"Want some company?" I couldn't help but smile and that was answer enough for Ben to kick off his blackened work boots and launch himself onto the window ledge. Somehow he looked like a Ben. As the obvious bulge was now at eye-level, I knew that Lottie would christen him 'Big Ben' when she found out his name.

Ben caught where I was looking. "Erm," I said, having been well and truly caught.

"It's OK," Ben said. "You're not the first office totty to perve over my package."

"I wasn't perving," I said, feeling an odd sense of pride to be classed as 'office totty'. "Lottie was the one who was looking."

"That the little redhead who just did a runner?" Ben asked, picking up my lunchbox. I nodded.

"So you and her have been taking about my lunchbox?" I grinned guiltily as I pushed my fingers through my hair. The way Ben was looking at me made my heart pound. "You could have something to tell her by the time she comes back from lunch."

"'Just shut up and fuck me,' I snapped, pushing my bottom out as I did so."

"Like what?" I asked, feeling heat flush through my body, priming it for sex.

"Perhaps you'd be able to tell her what it looks like?" I swallowed hard.

"I'd prefer to be able to tell her what it feels like," I suggested, feeling my pussy start to tingle. "Or what it tastes like."

"I like the sound of that," Ben said, unzipping the front of his trousers.

"Not here," I said, eyeing the open window. Despite my fantasies, the last thing I wanted was a queue of workmen waiting for me to suck them off. I backed away to the door and checked that the corridor was clear, then led Ben to the staff toilets. I'd offered a blow-job but I wanted more. Fortunately, there clearly was more as Ben's bulge was bigger than ever. By now my pussy was aching with need. After locking the door, I reached down for Ben's zipper but jumped back when he made to touch my blouse. "It'll get dirty," I said.

"You'd better take off anything you don't want me to touch." There wasn't time or space to do a striptease. I just took all my clothes off as quickly as I could and hung them on the back of the door. "So I can touch anything that's left?" Ben asked, making it abundantly clear where his oily fingers were going. I nodded and sure enough, Ben's blackened fingers pressed against my pussy. He was surprisingly gentle but it made me gasp as being naked at work with a hunky workman had made me extremely horny. Knowing that only one thing could truly satisfy me, I pulled Ben's cock out. Unsurprisingly, it was one of the bigger cocks I've seen and knowing that it was hard for me took me to a new level of desire. I stroked it with both hands, enjoying the sticky heat of the skin. Wanking really wasn't enough.

"Ben drove his cock into me so hard he lifted my feet off the ground."

"I want you to fuck me." It was an admission and a demand all in one. Given that I'd dragged Ben into a toilet and taken all my clothes off, it probably wasn't a surprise to him. I knew exactly how I wanted it, so turned round with my legs spread either side of the toilet and my hands against the wall. Ben rubbed the tip of his cock up and down my soaking pussy lips.

"You're really wet," he said.

"Just shut-up and fuck me," I snapped, pushing my bottom out as I did so. Ben didn't need a second invitation, although he did ease his cock in really slowly. "Oh fuck… yes!" I sighed, as Ben finally did the deed. It thrilled me to feel his cock moving inside my pussy as his oily hands gripped my hips. Surely there were going to be oily marks all over my body. My clitoris demanded that it be the focus of Ben's attention. "Rub my clit," I said needily, imaging what the dirty, oily fingers would look like as they rubbed my pretty pink pussy. As soon as Ben touched my pearl, it threatened to release my pent up desires. "Faster! Harder!" I screeched, having lost control of myself.

Ben drove his cock up into me so hard that he lifted my feet off the ground and my own body weight crushed my clit against his cock and fingers. Those hard, urgent strokes were exactly what I needed to release my orgasm and the pulses came hard and fast, making my head spin as Ben grabbed my tits, holding my naked body tight as he ejaculated inside me. "That was amazing," Ben grunted, as he leant against the toilet door.

"Watch my clothes!"

"Ooops, sorry," he said, jumping clear.

"I need to stay and clean-up," I said, dismissing my dirty lover, "but pop your head in our window and I'll give you my number." I left the greasy marks on my body but wiped away the juices between my legs before I got dressed and went back to the office.

"So, how did you get on with Mister Lunchbox?" Lottie asked as soon as she came back into the office. I pulled my blouse down a little to show the spread of black fingerprints on my left breast. "Looks like he's almost as dirty as you are."

"Almost," I agreed. "By the way, Ben's mate will be popping in to see you later. I said you'd be happy to give him a very warm welcome."

June, Maidstone.

We were so enthralled by the sight of the lovely TJ's boobs clad in that lacy bustier when she emerged from the make-up room for this shoot that it took us a full five minutes to notice that her pussy lips were sneakily peaking out from the confines of her split-crotch panties. Wow!

"Do you like them?" she grinned when it became all too obvious we'd finally twigged. "This is my own outfit, and I always love to see how a guy reacts when he notices the split crotch. Sometimes I'll just wear these panties when I'm out and about and give a guy I fancy a bit of a look up my skirt – going upstairs or on the tube or something. They're never sure if they can quite believe their eyes!"

Well, if they've read this they'll know for sure now, won't they!

KAYLA

Photos: Dazglam

25 year old Kayla hails from Sheffield, and a better ambassador for the city you couldn't hope to meet!

"Yes, I love it here!" she beams. "It's not too big, but it's got just enough to keep a girl entertained – great clubs, good sports, fantastic shopping. Even the public transport's pretty good. A lot of people ask me why I haven't moved down to London yet, but I'm staying right here, thank you very much!"

Well, we all know people from Yorkshire occasionally like to blow their own trumpets, but isn't Kayla laying it on a bit thick?

"Not a bit of it! If you want to know what the definition of a really good night out is, come up here to stay one weekend and I'll show you!"

That sounds like an offer that's too good to miss!

Have you girls been getting up to anything naughty lately? If so, why not write in to us – and if it's raunchy enough to use in Miss Behaviour you'll earn a downturn busting £50! Send your letters to Miss B, Men Only, PRP, 20 Lyon Road, Hersham, Surrey, KT12 3PU or email them to menonly@paulraymond.com. Come on – what are you waiting for?!

Real Life Adventures

Dawn gets a new bike - and promptly turns into one as well!

I'm a tall 19-year-old brunette who loves to party - unfortunately this plays hell with my body shape and skin. Not one to waste time and money going to the gym, I begged the money from family and friends to buy myself a bike so I could keep my body fit and my skin fresh looking from being out in the air. At least that was the idea, and at first I made a pretty good show of it.

> "Excitedly I began trying to pull down his zipper, but he beat me to it..."

Then one day the weather was so sunny for so early in the year that I became over-enthusiastic, and before I knew it, I was miles from home, my muscles ached, and the thought of cycling all the way back made me want to weep. As luck would have it I was close to a village with a popular hostelry, and I decided to have a hot drink and recuperate before pedalling home.

The bright weather brought the people out and the benches outside the pub were mostly taken. I locked my bike and went inside to get a beer and some crisps to refuel, then headed back out into the sunshine. There were some rather colourful looking young people sitting at one of the benches and seeing me looking for a place to park myself they beckoned me over.

They turned out to be a group of travelling musicians, who drove around the country in a shared van, going to festivals and holiday towns, playing gigs or busking and selling funky jewellery and other stuff. It was fun listening to their outrageous stories of life on the road. One of the guys started chatting me up, and as I found him attractive I began flirting with him.

As none of the girls seemed jealous I saw no harm in having a little fun, so when Gareth put his arm around me I leaned in to him.

By the time we got a couple of drinks down I was feeling a little unsteady and Gareth offered to drop me and my bike home in the van. One of the others threw him the keys and I unlocked my bike and went with Gareth. We walked down a narrow lane until we came to the van, which was parked just off a B road in a small lay-by. It was a quiet isolated place, and I laid my bike down against the trees and joined Gareth in the back of the van to help him sort some space for it.

Inside the van was full of back-packs and boxes and on the floor were some foam mattresses and lots of exotic woven blankets cushions and quilts. Gareth was very sexy in his ripped jeans and skin-tight T-shirt. The dreadlocks and tied leather friendship bracelets looked totally cool, but the thing that excited me

> "I lay back on the colourful bedding in a haze of bliss with my pussy throbbing."

most about him was the way his cock bulged in the front of his jeans.

I have only had a couple of boyfriends, and I was new to Gareth's directness. He even stroked the front of his jeans to make his cock grow bigger, before taking my hand and putting it on his bulge. Excitedly I began trying to pull down his zipper but he beat me to it, shrugging his jeans and boxers down his legs.

I began stroking his now-rigid erection gently, only taking my hands from it to allow Gareth to pull my top and sports bra over my head. Taking my tits in his hands, he pinched my nipples, rolling them between thumb and forefinger and lightly stretching them until I was wriggling against him with need and my pussy ached for the feel of his cock.

Pulling away from Gareth so I could kick off my shoes and slither free of my leggings, I smiled as I noticed his big cock standing ready for action. Taking it gingerly in one hand I wanked it gently, while playing with his balls with the other. Meanwhile Gareth curled his tongue around my nipple, teasing the sensitive areola before sucking the whole nipple into his mouth and gently twisting the other between two fingers.

My pussy throbbed and grew slick with my sex juices, and I felt almost crazed with lust as Gareth closed the van door and removed his T-shirt revealing a hard chest and flat stomach. Rolling me onto my back he spread my legs and began eating my pussy. His tongue worked between the sensitive folds of my throbbing labia, lapping up my juices, and occasionally flicking across my clitoris which had become enlarged and erect.

His hands reached up for my nipples, and as his fingers brushed lightly across my sensitive buds he sucked on my clit, batting the sensitive little nub with his tongue as he sucked my pussy to climax. I lay back on the colourful bedding in a haze of bliss with my pussy throbbing as Gareth mounted me, his great big erection pressing against my slit and nudging against my clit before he plunged it hard inside me. I gasped with pleasure as I felt his thick cock filling my pussy, and when he began to move inside me the friction from his rock-solid appendage sent me over the top and I started to come again.

Grabbing hold of the blankets I shouted at him to fuck me harder, and he did! - driving his cock in and out of my pussy like a pneumatic hammer. My back arched as one orgasm rippled through to the next and my heels drummed against the mattress as my pussy convulsed, gripping his thick shaft and fighting to milk it. Gareth withdrew his cock for a moment, waiting until he was ready before plunging it back inside me and shooting his load.

We lay together cuddling for a while, then Gareth loaded my bike and drove me home. When I got indoors, my Mum asked if I had enjoyed my ride! It sounded like a line from an old *Carry On* film!

BLANKA

Photos: **Dazglam**

This blonde bombshell's got a rather appropriate name, because as soon as we clapped eyes on her in that skimpy silver bikini, our minds went completely blank! Luckily for us, it turns out she's rather gabby herself, so we had a few minutes to compose ourselves while she prattled on about her journey to the studio, what she's been up to since we last ran into her and all sorts of nonsense which, while it served to break the ice, we can barely remember a single word of. After all, she was standing there in front of us dressed like that, and while some people like to think that us men can multi-task, when it's a question of ogling a fit babe and listening to her, sadly the looking's going to come out on top! And talking of looking at a fit babe, what on earth are you doing still reading this?!

ANASTASIA

Photos: **DDF**

Look who we found lurking around the office sauna the other day – big -boobed Anastasia, who seemed rather keen to work up a bit of a sheen, and at the same time impress us with her whopping chestage. OK, I know what you're thinking – what kind of office has its own sauna?! Well look, if you worked on *Men Only*, wouldn't you want somewhere you could retreat to now and again and relax a bit, with or without a bit of company to help? The boozer's all very well, but sometimes a steam in the sauna's what's really required!

Anyway, we were more than happy to while away a couple of hours with Anastasia as she massaged her boobs to within an inch of their lives, and we did a little massaging of our own…

NATALIA

Photos: BB Media

Old-fashioned types used to say that a woman belonged in the kitchen, and while there's no denying UK hottie Natalia Forrest looks damn good in there, we can't help thinking it'd be a mighty waste of her, er, talents, expecting her to slave away rustling up meals and stuff when she could be performing other, more enjoyable, domestic duties!

"But I love cooking!" protests the girl herself. "It was one of my favourite subjects at school, and now I love nothing more than trying to replicate some of the dishes I see on *Masterchef* and programmes like that. I think there's nothing nicer than giving the guy in my life a really good meal, because I know he'll repay the honour when we're in the bedroom!"

Natalia, we'd gladly more than repay the honour in the bedroom if you just gave is a cold pastie every night for tea!
